Dear [REDACTED]

Loan Number: [REDACTED]

Since we began evaluating your loan for modification options, a new modification program was introduced as a result of the U.S. Department of Justice and State Attorneys General settlement with Bank of America, N.A. This modification program includes **significant principal reduction and an affordable monthly payment.**

We have evaluated your loan for this new modification program and are pleased to tell you that you are approved to start a Trial Period Plan.

If you complete this Trial Period Plan by making all payments as outlined below, any past due late fees will be waived, interest and advances that we paid on your behalf will be added to your principal balance, and **your loan will be brought up to date.** We will then **permanently reduce your principal balance by the amount of \$244,295.89*.** In addition, we will **reduce your interest rate to 3.908%*.**

To accept this offer, you must make your first Trial Period Plan payment by 5/01/2012. Instead of your normal monthly mortgage payments, you must pay the exact amount of your Trial Period Plan payments.

To pay by phone, please call us at 1.800.669.6650 and we can deduct your payment directly from your checking account, if applicable. (There are no fees to make your payment by phone during the trial period.)

After you make all trial period payments on time, and if you continue to meet all of the eligibility requirements of this modification program, your mortgage will be permanently modified. **Please pay on time and in the right amount, or you may no longer be eligible for a loan modification.** If your last trial period payment is made after the 3rd day of the month in which it is due, we may extend your Trial Period Plan by an extra month. Please continue to make payments in the amount noted in your Trial Period Plan until you receive your permanent modification documents from us.

*Please note the amount(s) shown are estimates only based on the current status of your loan. Additional payment or advance activity during the trial plan period may result in changes to these estimates. Once you successfully complete your Trial Period Plan payments, you will receive a permanent modification agreement that includes specific amounts and terms.
